I pride myself on the extensive thought that goes into each itinerary to help make trips more effective and enjoyable!

As you may have gathered, I have a desire to plan anything and everything. Whether it is in my home city of Chicago or an International trip, you better bet I am researching, experiencing and recording. Although I am not a travel agent, for years, my itineraries have been distributed to friends and families to enhance their trips. Why not share something I love with other eager travelers?

My itineraries are made with a focus on doing, eating & drinking, which leads to seeing! Make plans easier — the editable excel templates allow you to add in your own personality, interests and adventures. Or simply download the PDF for a ready to go version. Enjoy! I am eager to hear from you!
